TO: NATIONAL ASSOCIATION OF CREDIT MANAGEMENT - SOUTHERN GROUP:
You are hereby authorized to act as our agent in the collection of the account listed. You have our authorization to endorse, in our name, any negotiable instrument which comes into your possession by reason of your acting as our agent for the collection of this account. If service or interest charges are in excess of the amount allowed by applicable law, we realize the Association may not attempt to collect any portion of such charges. If service or interest charges are within the legal amount; we must have a signed statement from the debtor agreeing to pay such charges, prior to the sale, or the association may not attempt to collect any portion of such charges. Applicable collection fees are added to the principal you place. However, NACM DOES NOT guarantee collection of the fee. We as creditor are responsible for the fees due NACM for any and all payment, at the time of payment, whether payment is made to NACM, or directly to us. We agree to discontinue all active attempts to collect on this account while it is in the hands of the Association's collection department. We also agree to pay any fee which would have been due, had this account been collected, if the account is withdrawn from the Association without prior agreement.
